Petition to the House of Commons

We the undersigned call on the House of Commons to support Bill C-474 in the name of the Hon. John McKay (Scarborough—Guildwood). The bill, entitled "*An act respecting the promotion of financial transparency, improved accountability and long-term economic sustainability through the public reporting of payments made by mining, oil and gas corporations to foreign governments"*, will require extraction companies with international operations to disclose all financial transactions with foreign governments and foreign officials.
